Character & Story

1st Son

Sakaki Naoya (28)

The brother who is running a detective agency. Supposedly their parental guardian but instead he is the most freewheeling yet most accurate person when it comes to dadoing.

2nd Son

Sakaki Yuuto (17)

An attractive high school student who is kind and gentle at heart and yet, he's really not good at handling women. His older brother, Naoya, had anticipated this talent of his at the 'break up' house.

3rd Son

Sakaki Souta (14)

The cutest and youngest child who sometimes has abrupt changes in his characteristics. He is reluctantly helping out at the break up house. Loves his big brother, Yuuto!

The Sakaki brothers who have lost their parents at a young age are now living together. One day, the detective agency that Naoya's managing received a break-up request from a client to split her cheating husband from his mistress. Since they were short on hands, and in order for Yuuto to overcome his difficulty with women, Yuuto and Souta then became spies for the Break Up House. With Yuuto's natural talent to attract girls and Souta dressing up and making an effort to act like a girl, they've managed to clear their very first mission. Then, Yuuto received a request to investigate the suspicious love-struck relationship of the popular model Hina and the idol Daichi. Daichi, being rejected by Hina by being an unusual interest for her and for some odd reason, Daichi had transferred to the school where Yuuto is studying at, which is Ryuusei Academy. A request wanting to break up a teacher and a customer's daughter, Naoya began to make his move! With Naoya's adult charms, they managed to clear the mission! Now then, what will be the next request...
